

# ANCW Beef Education Handbook

## Lesson Plan Format

One goal of the ANCW Beef Education Committee for 2005 is to revise and reprint the ANCW Education Handbook which was first published ten years ago. We are asking ANCW members to submit lesson plans to be included in the book. In order to save time and money in editing and layout, we would like to have lessons submitted using this format. Lesson plans should be sent to your Region Education Chair.
